Reasons why compliance with Regulation 9 is impracticable –

Staffordshire County Council has a responsibility to support our businesses and residents through the COVID-19 public health crisis and beyond. The sudden nature of crisis has meant that we have had to respond quickly, with our Economic Recovery, Renewal and Transformation Strategy being created in an extremely short time. It is now vital that the Cabinet is able to decide whether to agree the Strategy at the earliest opportunity, thereby ensuring the County Council can play its part in mitigating the economic impacts of the crisis whilst also taking advantage of emerging opportunities.
