

## Termly review of membership of Staffordshire Schools Forum September 2023

The total number of Schools Forum maintained schools and academy members is 23. The Schools Forum regulations state that, where there are any, there must be one member for each of the following: maintained nursery schools, maintained special schools, maintained PRUs, special academies and alternative provision academies. This is the case in Staffordshire so there are 5 members from these schools and academies (1 from each type - 5 members). This means that 18 Schools Forum school members represent the mainstream primary and secondary schools and academies.

NoR as at latest Schools Census date - May 2023 and school status as at 01.09.2023
